Level 2 Autocare Technician Apprentice

<https://www.instituteforapprenticeships.org/apprenticeship-standards/autocare-technician-v1-0>

Company Background

Mark and Ashley have over 40 years combined experience in the motor industry.

We are a busy garage that undertakes all types of works including, service, repair, diagnosing faults, air conditioning, MOT, tyres replacing and rebalancing.

We have invested heavily in new equipment to drive our efficiency and to ensure that we are working with the most modern technology.

We pride ourselves on our customer service and have a wealth of customers who return time and time again. We go the extra mile for our customers and offer a collection and drop off service.

Mark is very experienced in mentoring and bringing out the best in students due to his service in the Police.

Job Role

The Level 2 Motor Vehicle Apprenticeship is a varied and exciting role which will give an excellent introduction to the automotive/garage industry. The apprenticeship is to learn all aspects of the Motor Vehicle trade.

This is a demanding role in a busy garage. The ability to work using your own initiative is vital and strong interpersonal skills are required as you will be required to converse with our customers confidently.

Attention to detail is critical to ensure that our customers safety is always a priority.

Day release will be required to college as well as continued learning and progression in the workplace.

The hours for this role are based on 40 hours per week including day release to college.

Key Responsibilities

- Vehicle Diagnostics (Faults)
- Vehicle repairs after initial diagnostics
- Servicing
