

## Electrical Apprentice Level 3 Electrical Installation and Maintenance Electrician

<https://www.instituteforapprenticeships.org/apprenticeship-standards/installation-electrician-and-maintenance-electrician-v1-0>

Huttie are currently looking to recruit an electrical apprentice in the Cambridge/Suffolk area. The new apprentice will be working alongside fully qualified electricians assisting them in their role whilst gaining necessary experience to become qualified electricians themselves.

Huttie is a family business which has been built on an ethos of over-delivering for every client, we supply building services to homeowners and businesses, provide highly skilled engineers to work on any project, carrying out a wide range of electrical, mechanical, and plumbing tasks. Quality is our key.

The successful candidate will have a great opportunity to gain experience in a broad spectrum of work from domestic installation work, heating controls, commercial installations and testing and inspection.

### Key requirements

- Good functional skills. Level 4 and above
- Good communication skills
- Able to get to the office or workplace by themselves.
- Excellent time keeping
- Enjoy physical work.
- Great attention to detail.
- Self-motivated and keen to learn.
- Customer-focused approach.

### Benefits:

- Wage £5.50/hr
- 23 days holiday plus bank holidays
- Company uniform
- Pension
- Ongoing training
- The chance to join a fast-growing company with opportunity for progression
- Day release to West Suffolk College to complete apprenticeship training
