

# Apprenticeships Suffolk

## **Inclusive apprenticeships provide:**

- **An alternative and flexible approach to mainstream education, which is tailored towards the individuals career path.**
- **A supportive environment for learners to develop the skills and experience needed to succeed in their chosen careers.**
- **The hours and duration of the apprenticeship can be adjusted to accommodate the learners needs.**
- **Any additional support to help the learner succeed.**

If you are an employer/business who can offer an inclusive apprenticeship opportunity, please email:
