"The advantages of taking on apprentices is developing your own labour and making sure they learn the correct way without cutting corners" - **R J Dean Plasterers**

"We were keen to recruit locally and wanted to formalise the development of our new recruit by offering a full Apprenticeship leading to qualifications. We couldn't have achieved this without the substantial support provided by the team at Apprenticeships Suffolk." -
Amazing Graphics

"The Apprenticeships Suffolk team have been along every step of the way to help us navigate the enrolment of our apprentices and for a helping hand whenever we have a query." - **Friel Marketing**

"The Apprenticeships Suffolk Team provided dedicated support to our apprentice- giving them the opportunity to ask an impartial observer and act as a mediator when things became unclear. Without this valuable resource, I believe that our apprentice may well have chosen to abandon her training and it would have been highly unlikely that we would have taken on our second apprentice" - **ABC Childcare**
